

Blackstone Management & Consulting Privacy Policy

The information contained in our website has been prepared by Blackstone Management & Consulting for informational purposes only and is not intended and should not be construed as consultation or advice.

Our firm understands your concerns as a client for privacy and the need to ensure the privacy of all your information. Your privacy is important to us and maintaining your trust and confidence is a high priority.

Blackstone associates agree to be bound by professional standards of confidentiality. The purpose of this notice is to explain our Privacy Policy with regard to personal information about you that we obtain and how we keep that information secure.

What information do we gather?

We collect nonpublic personal information about you that is provided to us by you or obtained by us with your authorization or consent.

Will we share this with outside parties?

We will not share or otherwise transfer individual information we obtain directly from you or from the use of our website with anyone outside our own organization, or individuals contracted with either our organization, or our clients, who provide direct services related to the service of our clients.

WE DO NOT DISCLOSE ANY PERSONAL INFORMATION ABOUT OUR CLIENTS OR FORMER CLIENTS TO ANYONE EXCEPT AS EXPRESSELY PERMITTED

We do not disclose any nonpublic personal information about current or former clients obtained in the course of our work with those clients, except as expressly or impliedly authorized by those clients to enable us to effectuate the purpose of our representation.

Our policy specifically means that we protect the confidentiality of our clients' corporate and/or personal financial statements, Social Security numbers, and specifically prohibit disclosure of our clients' confidential information and limit access to our clients' confidential information in the same manner as we do all other nonpublic personal information.

Confidentiality

We retain records relating to professional services that we provide so that we are better able to assist you with your professional needs on an ongoing basis. In order to guard your nonpublic personal information, we maintain physical, electronic, and procedural safeguards to assure confidentiality is maintained.

What about data security?

We take appropriate steps to maintain the security of your data with Blackstonemgnt.com. You should understand that the open nature of the Internet is such that data may flow over networks without security measures and may be accessed and used by people other than those for whom the data is intended.
